**COLD WEATHER  
HYDROSTATIC TEST CERTIFICATION**

**ADDRESS** \_\_\_\_\_

**DATE** \_\_\_\_\_ **TIME** \_\_\_\_\_ **A/P#** \_\_\_\_\_

This document certifies that the sprinkler contractor has filled the entire sprinkler system with water and pressurized the sprinkler piping to \_\_\_\_\_ psi for not less than 2 hours during which, the complete system has been visually checked for leaks and/or breaks at each joint, coupling and along all sections of pipe. Any leaks, breaks or non-code compliant issues have been addressed and corrected prior to concealment of the sprinkler system piping.

*THE SIGNATURES BELOW EVIDENCE THAT THE GENERAL CONTRACTOR AND THE SPRINKLER CONTRACTOR UNDERSTAND, AND THE GENERAL CONTRACTOR CERTIFY AND AFFIRM THAT THEY HAVE WITNESSED THE HYDROSTATIC TESTING OF THE SPRINKLER SYSTEM AS STATED ABOVE AND ARE IN COMPLIANCE WITH ALL SPECIFICATIONS LISTED HEREIN.*
